

experts with a difference

Vistage resource speakers are leading experts in all aspects of business and life balance who deliver fresh perspectives, new ideas and real-world learning in interactive workshops. They play a pivotal role in helping our members achieve results by delivering expert insight on critical business issues, breakthrough ideas and profitable tools that business leaders can immediately implement in their companies.

"My business has really quadrupled with Vistage over the last three years. It puts me in front of CEOs whom I otherwise wouldn't have the opportunity to ever meet. So not only has it been financially rewarding, it also gives me visibility. I have made contacts that I can't get anywhere else."

Hunter Lott

Vistage expert resource speaker since 1995

expertise in action

An essential component of the Vistage experience, Vistage expert resource speakers provide business leaders with practical content and actionable ideas to help them become better leaders, make better decisions, and achieve better results. They combine first-class presentation skills with the ability to interact closely with business leaders and produce results in a dynamic, small-group setting. And by tailoring their material to the specific needs of each group, Vistage expert resource speakers create a lasting positive impact on our members' businesses.

“As a Vistage speaker, I get my biggest kick when I see the gleam in the eye of a Vistage member and he starts to write. I know he’s going to use that tool or that idea and make more money and be a better leader and make better decisions.”

Kraig Kramers
Vistage expert resource speaker since 1988

“Speaking to Vistage groups provides an unparalleled arena for me to do what I love—have a beneficial impact on people who are centers of influence and strengthen my professional skills in the process. Vistage members and Group Chairs give me invaluable feedback that helps me become a better presenter and a better person. Speaking to Vistage groups also generates significant business. Currently, more than 90 percent of my client base is comprised of either Vistage members or referrals from members who I met through presentations.”

Nikki Nemerouf
Vistage expert resource speaker since 1999

“What I love about being a Vistage speaker is the dynamics in the room. The interaction between the CEOs is incredible. I like having the influence in making an impact on people far beyond those who are in the room.”

Pat Ritchie
Vistage expert resource speaker since 2005

The decision to become a Vistage expert resource speaker is the career catalyst that launches many to the next level. Are you ready to step up?
